PROFILE

Irish. 32 Years old. Based in London.
Having worked as a mechanical engineer for the past 8 years, I have embarked on a new journey as a full-stack developer. After over 1 year of coding including graduating from Le Wagon's Full-Stack Web Development bootcamp, I am ready to utilise my newfound skills to help your company succeed.

PERSONAL PROJECTS

TRAVELLIST | WWW.TRAVELLIST.UK

A website for avid travellers to track destinations, plan their trips and store their memories for their destinations with dedicated photo albums. Please view at www.travellist.uk

WORKWISE | WWW.WORKWISE.LIVE

A collaborative online platform that assists companies to search for and purchase properties to suit their business needs. View our demo @ https://youtu.be/6KB72NU5j6A
